Dear Parents/Guardians,

We are very pleased to offer our Milk Program for students in the grades 2/3 classes to the grades 7/8 classes. The Program consists of a Milk Punch Card designed by the Health Unit. The price of the card is \$15 and there are 20 pictures of milk cartons on the card, one of which will be punched each time the student gets milk. The cards will be stored in a container kept by Henderson staff so they won't be lost or misplaced. The container of milk cards will be located outside of Mr. Wilson's office where the students can come and collect their milk daily during the first nutrition break from 11:15 to 12:35p.m.

There are two ways to purchase milk cards. The first is through our online ordering site which can be found on the J.R. Henderson website: <http://jrhmilkprogram.com/admin/> and the second is to fill out the form below and return it to your child's teacher. Please note that milk cards can be purchased anytime throughout the year on the online ordering site or by printing out this order form from the website which can be located under the Forms tab.

Thank you,
